Rules

Access to the rooftop terrace is restricted to customers with a valid access pass (yearly pass or 1-day pass). Access is strictly limited to the rooftop and the toilets on the 1st floor.

All persons entering the premises must comply with the instructions of the swiss aeropole SA team.

Children under 16 years must be accompanied by an adult.

Use of hearing protection is strongly recommended (available at swiss aeropole SA).

On swiss aeropole SA premises, it is strictly forbidden to smoke (except in designated areas), to bring in animals, to stand in passageways, to use emergency exits (except during an evacuation), to improperly dispose of trash, to deliberately damage, deteriorate or destroy the building and furniture, and to use the facilities in a manner that is not in accordance with their intended purpose.

It is strictly forbidden to photograph or to film passengers and crews, except with their prior agreement.

swiss aeropole SA declines all responsibility in the event of loss, theft, damage to personal belongings, accidents and failure to comply with safety instructions.

The swiss aeropole SA premises are equipped with a video surveillance and recording system.

Any person who does not comply with these regulations will be denied access on a one-off or permanent basis, without refund.
